

ABSTRACT

Eva Suhardi, 2023. An Analysis of Students' Ability in Writing Prodecure Text of the Thenth Grade Students at SMA Muhammadiyah Martapura. Thesis, English Education Study Program, Sarjana Degree (S1), Faculty Teacher Training and Education, Baturaja University. Advisor: (I) Mila Arizah, M.Pd., (II) Shofiyatul Huriyah, M. Pd.

This study aims to improve students' ability to write procedure texts for class X SMA Muhammadiyah Martapura. The sample of this study was 60 students of class X IPS 1 and IPS 2 SMA Muhammadiyah Martapura for the 2022/2023 academic year. The technique of collecting data is by using the instrument test, the questions given are about how to make takjil. In analyzing the writer gave a score based on the students' correct answers. After that, the writer clarified the criteria for student scores based on ability to write procedure texts, namely very good (51.6%), good (58.3%), sufficient (0%), poor (0%), very poor (0%). There were 31 students in the very good category, 29 students in the good category, 0 students in the sufficient category, 0 students in the poor category, 0 students in the very poor category. Of the 60 students, most of the students got very good and good categories. So the writer concludes that the ability to write with procedure text for class X IPS 1 and X IPS 2 SMA Muhammadiyah Martapura is effective.

Keywords: procedure text, students writing ability
