Pembangunan nasional merupakan rangkaian upaya pembangunan yang berkesinambungan yang meliputi seluruh kehidupan masyarakat, bangsa dan negara untuk melaksanakan tugas mewujudkan tujuan nasional yang termaktub dalam Pembukaan UUD 1945. Permasalahan dalam penelitian ini adalah: Bagaimanakah Pelaksanaan Rencana Kerja Pemerintah Desa Tahun 2020 (Studi Kasus Desa Bungin Campang Kecamatan Simpang Kabupaten OKU Selatan).

Jenis penelitian ini adalah jenis penelitian deskriptif kualitatif. Data dikumpulkan melalui, observasi, dokumentasi, dan wawancara. Analisis data dilakukan secara terus menerus dimulai dengan menelaah seluruh data yang tersedia dari berbagai sumber. penelitian ini dilaksanakan pada tanggal 13 sd 28 Januari 2022.

Berdasarkan hasil analisa data dapat disimpulkan bahwa Efektivitas Pelaksanaan Rencana Kerja Pemerintah Desa Bungin Campang Kecamatan Simpang Kabupaten OKU Selatan tahun 2020 yang diukur dengan indikator Pemahaman Program, Tepat Sasaran, Tepat Waktu, Tercapainya Tujuan, Perubahan Nyata Sebelum dan Sesudah Adanya Program sudah berjalan dengan baik. Hal ini juga didukung dari hasil fakta yang penulis temukan di lapangan, dimana Program Rencana Kerja Pemerintah Desa (RKP Desa) sudah dilaksanakan dengan baik. Pemerintah desa Bungin Campang diharapkan untuk lebih memprioritas kembali program-program yang akan dilaksanakan, serta perencanaan terhadap program tersebut lebih diperdalam kembali kajiannya seperti tujuan program, target pengerjaan program, waktu pengerjaannya, serta pengadaan pengawasan yang optimal terhadap program yang sudah dilaksanakan, dan melakukan observasi atau tinjauan ulang terhadap kondisi di lapangan, untuk melihat program yang sudah dilaksanakan sudah mencapai target atau belum.

National development is a series of sustainable development efforts that cover the entire life of the community, nation and state to carry out the task of realizing the national goals contained in the Preamble to the 1945 Constitution. The problems in this research are: How is the Implementation of the 2020 Village Government Work Plan (Case Study of Bungin Campang Village Simpang District, South OKU Regency). This type of research is a type of qualitative descriptive research. Data were collected through observation, documentation, and interviews. Data analysis is carried out continuously starting by reviewing all available data from various sources. This research was conducted from 02 to 05 January 2022.

Based on the results of data analysis, it can be concluded that Based on the results of the research and analysis that the researchers carried out, it can be concluded that the Effectiveness of the Implementation of the 2020 Village Government Work Plan (Case Study of Bungin Campang Village, Simpang District, OKU Selatan Regency) as measured by the indicators of Program Understanding, Right on Target, Right Time, Achieving Goals, Real Changes Before and After The Program has been going well. This is also supported by the facts that the authors found in the field, namely that the Village Government Work Plan Program (RKP Desa) has indeed been implemented well.

The author suggests to the Bungin Campang village government to prioritize the programs that will be implemented, and the planning for the program is further deepened in its studies such as program objectives, program execution targets, processing time, as well as providing optimal supervision of programs that have been implemented, and conduct observations or reviews of conditions in the field, to see if the programs that have been implemented have reached the target or not.
